

Toll Plaza Reuse RFI FAQs

Who can submit an idea?

Any organization, institution, private or public entity that can fulfill the instructions described in the RFI is encouraged to submit their ideas. TCA is reaching out to a broad audience across multiple industries, local agencies, as well as organizations within the transportation sector to solicit a broad range of ideas.

What is the purpose of the RFI?

The purpose of the RFI is to solicit a broad range of creative and innovative ideas that may lead to further consideration of viable concepts that would provide benefit to the transportation system and the communities we serve.

What is TCA's role?

TCA will act as a facilitator for the solicitation process and will coordinate with our transportation partner – the California Department of Transportation (Caltrans) regarding the review of responsive submittals.

What are the submission requirements?

Information regarding existing constraints and limitations, and the instructions regarding the submission of information are described in the RFI.

Who will fund the ideas?

Respondents are encouraged to identify potential funding sources for the ideas submitted.
